Copy of letter dated 11th July 38 from H.H. the Yuvaraja
of Mysore to the Rani Saheb of Jigni.

My dear Rani Saheb,

I was very pleased to get your letter and I thank you
for your kind enquiries about myself. I am quite alright.
Since you left Mysore after your daughter's marriage, I was
busy with the Birthday festivities in Mysore and then the
Racing season in Bangalore.

My son and your daughter are getting on well. They have
settled down in their new residence the Summer Palace and
seem to be quite happy. My son will start his administrative
training soon. I am glad to say that a teacher has been appointe
-ed to teach your daughter English &c.

I need not assure you that I shall take every care
about your daughter. My son, more than myself, wants that that
she is kept happy. Even more than this, my brother who is the
head of the family and directly looking after his affairs will,
I feel sure, see to the question of the happiness of your
daughter as well. I may be going to ^{at the end of this month} ~~Europe~~ for a couple of
monthsto Europe but it is ~~not~~ not yet decided. During my
absence, my son and my brother will see to every thing going on
well.

Hope you are well. My daughters send their namaskarams
to you.

Yours sincerely

Sd. K. N. R. Wadiyar.
